

## 10k Diesel Particulate Filter Cleaner

### PRODUCT DESCRIPTION

10K Boost Diesel Particulate Filter Cleaner is an organo-metallic diesel fuel additive that ensures complete & rapid regeneration of the diesel particulate filter. 10K Boost DPF Cleaner lowers the ignition temperature of soot collected in the diesel particulate filter and optimizes periodic combustion of accumulated soot, a process known as filter regeneration. Diesel Particulate Filter Cleaner also reduces particulate emissions and extends lifetime of particulate filter.

### PRODUCT BENEFITS

- \* Ensures complete and rapid diesel particulate filter regeneration
- \* Reduces ignition temperature of trapped soot ensuring extraordinary combustion at temperatures typically encountered during normal engine operation
- \* Prevents performance loss caused by clogged diesel particulate filters and incomplete combustion of soot
- \* Reduces particulate emission assisting in meeting strict legislation and emission limits
- \* Extends lifetime of the expensive diesel particulate filter
- \* Most economic way of soot reduction without any changes to the fuel system
- \* Regeneration of diesel particulate filters is 5-10 times faster and more complete than when using a catalyst coated diesel particulate filter.
- \* No secondary emissions.
- \* Can be used for all diesel engines with standard or retrofitted diesel particulate filter

### PRODUCT USAGE

For all diesel engines (incl. common rail and turbo charged engines) with standard or retrofitted diesel particulate filter.

### DIRECTIONS FOR USE

Pour contents of one 265ml bottle in fuel tank before filling it with diesel fuel.

265ml & 265ml Norwegian

SIZE	PART NO	BARCODE
265ml	1427	5020618014270
265ml Norwegian	1619	N/A

# 10k Diesel Particulate Filter Cleaner

265ml & 265ml Norwegian

## DOSAGE INFORMATION

One 265ml bottle treats 40 to 60 litres of diesel fuel.  
Treat system every 3000 miles.

## STORAGE INSTRUCTIONS

Store in a cool dry place.

## SHELF LIFE

3 years from manufacture.

<b>Appearance</b>	: Amber
<b>Odour</b>	: Characteristic
<b>Specific Gravity</b>	: Density g/cm <sup>3</sup> 0,744
<b>Solubility</b>	: Insoluble
<b>Flammability</b>	: 200°C

## SAFETY PRECAUTIONS

Please see our latest EC Safety Data Sheets for details.

## TRANSPORT CLASSIFICATION

Please see our latest EC Safety Data Sheets for details.
